WIE HACK 3.0

36 HR **WOMEN CENTRIC** HACKATHON

DATES:
22 - 23 May 2021

ORGANISED BY:
IEEE Student Branch,
Bharati Vidyapeeth's College of Engineering,
New Delhi, India - 110063

WWW.BVPIEEE.COM
WIEHACK3.0@BVPIEEE.COM

ABOUT BVCOE

Bharati Vidyapeeth's College of Engineering, since its establishment in 1999, has strived to provide the best engineering education to its students through a dedicated faculty and well equipped labs.

ADDRESS

A 4, Rohtak Rd, Shiva Enclave,
Paschim Vihar, New Delhi,
Delhi 110063

ABOUT BVPIEEE

BVPIEEE is the IEEE Student Branch of BVCOE. With the aim of creating a rich pool of technical experts and harnessing the boundless youth potential, we offer a wide spectrum of opportunities and resources to our members.

STUDENT CHAPTERS

The Student Chapters aim to increase the involvement of members in technical and academic endeavours. Each chapter conducts workshops and events throughout the year.

BRIEF OVERVIEW

01

WOMEN IN ENGINEERING (WIE)

IEEE WIE chapter is one of the largest international professional organisations dedicated to promoting women engineers and scientists. It aims to inspire girls around the world to follow their academic interests in a career in engineering.

02

INDUSTRY APPLICATIONS SOCIETY (IAS)

IEEE-IAS is a world leader in the advancement of technology and dissemination of technical information to support professionals engaged in the applications of electrical and electronic engineering to industry.

03

COMPUTER SOCIETY (CS)

IEEE CS is the trusted information, networking, and career-development source for a global community of technology leaders that includes researchers, educators, software engineers, IT professionals, employers, and students. At BVPIEEE CS, members are taught popular technologies like Android, ML and AI, along with the basics of programming for beginners.

BRIEF OVERVIEW

04 ROBOTICS & AUTOMATION SOCIETY (RAS)

IEEE RAS's mission is to foster the development and facilitate the exchange of scientific and technological knowledge in Robotics and Automation that benefits members, the profession and humanity. Members of BVPIEEE-RAS are encouraged to innovate and share their technical know-how with the community. They are given hands-on learning on platforms such as Arduino and Raspberry Pi.

05 ETA KAPPA NU (HKN)

IEEE-HKN is the honour society of IEEE and is dedicated to encouraging and recognizing individual excellence in education and meritorious work, in professional practice, and in any of the areas within the IEEE-designated fields of interest.

SIGS

The Student Interest Groups (SIGs) engage their members in various activities in the technical and non-technical domain.

01 **CODEX** - It's a go-to place for programmers to interact with each other to find solutions to real-world problems. Various online and offline coding competitions are organised for members.

02 **E-Cell** - The Entrepreneurship Cell creates a professional environment for students where they can interact with industrialists. It has also organized GDs and interactive sessions so that students can brush-up on their soft skills.

03 **BVCOE Quiz Club(BQC)** - BQC aims to continue the long-standing tradition of quizzing at BVCOE. Quizzes are conducted on online platforms and offline, creating a community of enthusiastic students who believe in sharing their knowledge.

04 **GAMMA**- The Gaming and Multi-media Animation interest group of BVPIEEE conducts fun gaming sessions for its members that turn out to be a great place for socialization and networking.

WIE HACK 3.0

ABOUT

WIE HACK is the flagship event of BVPIEEE, The IEEE Student Branch of BVCOE, New Delhi. The 36 Hour Women Centric Hackathon has been known for providing female undergraduate students a skipping stone to the world of Tech.

OUR VISION

To promote a programming culture amongst the students.

To bridge the gender equality gap in the technical domain.

To encourage young minds to share their developmental skills and understand the current product market scenario.

To help develop the Business Acumen required in the industry.

To create a place for women to network and learn about the latest technologies.

WHY SPONSOR US?

We at BVPIEEE believe that through collaboration with people from varied domains, we can make any event a success.

BVPIEEE provides a platform for its sponsors to interact with the youth and increase their outreach. With years of experience organising events in our college, we understand our sponsors' needs and aim to bring them closer to their target audience.

WE OFFER OUR SPONSORS:

A customized plan for every sponsor to maximise their outreach. An opportunity to advertise their brand on all our online platforms- BVPIEEE app and website, Facebook event pages,
Access to the mailing list and distribution channels of the event, in addition to the updated student database collected by BVPIEEE over the years.

PAST FLAGSHIP EVENTS

FERVOUR

Fervour is the annual techno-managerial fest organised by BVPIEEE. The 10th edition of the fest was held in March 2018 with a lot of enthusiasm. It saw a footfall of over 500 students. The flagship events, Hacktivate - a 24-hour development hackathon and Technovation - a technical projects exhibition, were a great success.
Delhi's first FPV Drone Show was hosted as a part of our fest. It served as the highlight for the participants.

PAST FLAGSHIP EVENTS

INNOVICON

BVPIEEE, the IEEE Student branch of Bharati Vidyapeeth's College Of Engineering organised a conference on Artificial Intelligence and Data Science on 2nd and 3rd of February 2019. The aim of the Conference was to bring together top researchers and industry experts in the field of Artificial Intelligence and Data Science and make their understanding of the recent trends accessible to undergraduates and professionals who are commencing their exploration in these fields. With 2 tracks and 10 workshops running in parallel the event was a huge success. Speakers from renowned institutes like IITs and companies like Bobble AI delivered thought-provoking and informative talks.
